Dear Mr. Ramey:

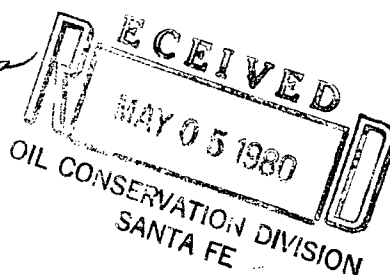

Southland Royalty Company hereby requests approval of an unorthodox location for the Hanks #12E. The proposed location is 1020' ~~EW~~ & 725' FEL, Section 7, T27N, R9W, San Juan County, New Mexico. The location of a mesa and massive cliff formations make this wellsite necessary. All offset operators have been notified of this unorthodox location by certified mail.

Sincerely,

*Curtis C. Parsons*

Dear Mr. Parrish:

Southland Royalty Company proposes to drill the Hanks #12E, an infill Dakota well, at a location 1020' FSL & 725' FEL, Section 7, T27N, R9W, San Juan County, New Mexico. The unorthodox location is requested due to the location of a mesa and massive cliff formations. If you have no objections, please so indicate by signing below and forwarding one copy of this letter to the New Mexico Oil Conservation Division in Santa Fe, New Mexico.

Sincerely,

SOUTHLAND ROYALTY COMPANY
