Dear Mr. Ramey:

On December 15, 1980, Administrative Order NSL-1298 was issued to cover a non-standard location for our San Juan 27-5 Unit #193 to be completed in the Blanco Mesa Verde pool.

We now plan to change the name of this well to the San Juan 27-5 Unit #99E and dually complete as a Mesa Verde - Dakota dual.

We will appreciate your approval of this change.

Mr. Joe Ramey New Mexico Oil Conservation Division Post Office Box 2088 Santa Fe, New Mexico 87501

Dear Mr. Ramey:

This is a request for administrative approval for an unorthodox gas well location in the Blanco Mesa Verde Pool.

It is intended to locate the El Paso Natural Gas Company's San Juan 27-5 Unit #193 at 250' from the North line and 1570' from the West line of Section 11, T-27-N, R-5-W, Rio Arriba County, New Mexico.

Due to rough and hilly terrain to the south makes it impossible to build an orthodox gas well location.

El Paso Natural Gas Company is the only offset operator.

Plats showing the proposed well location and the terrain of Section 11 are attached.

Yours truly,

C. P. Road
