Gentlemen:

Attached in duplicate (to each office) is a well location plat C-102 with a sketch of the surrounding conditions and an ownership plat for the above captioned well.

The proposed well is only 680 FWL. This is the best location for this well due to its proximity to the Largo Canyon drainage.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a waiver of objection.

Pursuant to authority of Rule 104-F we respectfully request your approval of an exemption to the standard well location requirements.

Yours very truly,

TENNECO OIL COMPANY
