Due to the Canon Largo flood plain on the east, this well was placed where it does not conform to state spacing requirements. This is the only geologic and topographic site available

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a waiver of objection.

Pursuant to the authority of Rule 104-F we respectfully request your approval of an exemption to the standard well location requirements.

Yours very truly,
