Amended
Administrative Order NSL-1759

Gentlemen:

Reference is made to your application for a non-standard location for your Young Deep 3 Federal Well No. 4 to be located 1,200 feet from the South line and 1650 feet from the East line of Section 3, Township 18 South, Range 32 East, North Young Bone Springs Pool, Lea County, New Mexico.

NOTE: This NSL Administrative Order was amended because of the recompletion of the well from the Undesignated Morrow Pool to the North Young Bone Springs Pool.
