Mr. Joe D. Ramey
New Mexico Department of Energy and Minerals
Oil and Gas Division
P. O. Box 2088
Santa Fe, New Mexico 87501

Dear Mr. Ramey:

Southland Royalty Company hereby requests approval of a non-standard location for the Trujillo Federal #1 well. This location is 1910' FNL & 810' FEL of Section 1, T29N, R4W, Rio Arriba County, New Mexico. East Blanco Picture Cliffs Pool

The non-standard location is due to the request of the U.S.F.S. to locate the wellsite on fee surface. The valley bottom immediately north of the proposed location is swampy and would not be a good base for a drilling rig.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe Office with a waiver of objection.

Pursuant to authority of Rule 104-F, we respectfully request your approval of an exemption to the standard well location requirement.

Sincerely,

SOUTHLAND ROYALTY COMPANY

R. E. Fielder
District Engineer
