RE: Objection to Application to Inject SW  
South Malaga I-2-25-28 SWD No. 1  
Section 2, T25S-R28E  
Eddy County, New Mexico

Dear Sir/Madame,

St. Mary Land & Exploration Company ("St. Mary") is in receipt of Marbob Energy Corporation's ("Marbob") Letter dated August 14, 2007, received by our offices in Houston, Texas on August 22, 2007. This letter is to serve as St. Mary's formal objection to the proposal. In a spirit of compromise, St. Mary would be agreeable to an alternative disposal interval of 2677-3958' and 5270-6464', which would eliminate any possible adverse effect to our production and interest in the area.

Should you have any questions regarding the above, please do not hesitate to contact me at 281-677-2793

Sincerely,

A handwritten signature in black ink, appearing to read "A. F. Frederick", written over a horizontal line.

Albert F. Frederick, CPL  
Senior Landman
