4 (321.61 Acres) Section 10: Lots 1, 2, and 3 and S/2 SE/4
Section 11: Lot 4, S/2 SW/4, and SW/4 SE/4

This is a request for administrative approval for an unorthodox gas well location in the Basin Dakota Pool.

It is intended to locate the El Paso Natural Gas Company's San Juan 28-5 Unit #96E at 1270' from the South line and 700' from the West line of Section 11, T-28-N, R-5-W, Rio Arriba County, New Mexico.

The existence of steep cliffs and an existing gas well in the SW/4 of this section makes it impossible to build an orthodox gas well location.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a Waiver of Objection, and return one copy to this office.

Plats showing the proposed well location and the terrain in Section 11, along with an ownership plat, are attached.

Sincerely yours,
