Mr. Richard Stamets

Dear Mr. Stamets:

This is a request for administrative approval for an unorthodox gas well location in the Blanco Mesa Verde Pool.

It is intended to locate the El Paso Natural Gas Company's Lackey #1A at 2540' from the North line and 1190' from the West line of Section 26, T-28-N, R-9-W, San Juan County, New Mexico.

Extremely rough terrain in the form of steep cliffs makes it impossible to build an orthodox location in the southwest corner of Section 26.

El Paso Natural Gas Company operates all proration units offsetting the proposed unorthodox location.

Plats showing the proposed well location and the terrain in Section 26, along with an ownership plat, are attached.

Sincerely yours,

A handwritten signature in cursive script that reads "G. W. Brink".
