Mr. David Catanach, Engineer State of New Mexico Oil Conservation Division P. O. Box 2088 Santa Fe, NM 87504-2088

RE: P.J. "A" State #9 2420' FWL & 1470' FSL, Sec. 1, T19S, R29E, Eddy County, NM

Mr. Catanach;

Please accept our apologies for two mistakes that were made in our letter dated March 17, 1988 in regards to the above referenced well.

- 1) The location, after being surveyed by Dan Reddy, is 2420' FWL & 1470' FSL, not 1650' FSL as stated.
- 2) Herman J. Ledbetter is the offset operator, not Tenneco Oil Co., as stated in our letter.

We have notified Mr. Ledbetter of our intentions, when I receive a waiver back from him I will forward it to you. I have also enclosed a plat showing the lease ownerships, ie. offset operator.

Once again I am sorry for the confusion this may have caused, and I hope this will straighten out the matter.

Sincerely

Fred F. Pool, III Engineer
