Post Office Box 2088

Dear Mr. LeMay:

This is a request for administrative approval for an unorthodox gas well location in the Undesignated Fruitland Pool. This well was previously staked at 720' from the North line and 2360' from the East line of Section 34, T-31-N, R-8-W, and approved by NSL-2539.

It is now intended to locate the Southland Royalty Company's Hale #353 at 620' from the North line and 2360' from the East line of Section 34, T-31-N, R-8-W, San Juan County, New Mexico.

Extremely rough terrain in the form of steep cliffs makes it impossible to build an orthodox location in the northeast quarter of this section.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a Waiver of Objection, and return one copy to this office.

Plats showing the proposed well location and the terrain in Section 34, along with an ownership plat, are attached.

Sincerely yours,

Peggy Doak
