P.O. Box 1237  
Durango, CO 81302

Attention: William F. Clark,  
Operations Manager

Administrative Order NSL-2632

Dear Mr. Clark:

Reference is made to your application of January 30, 1989 for a non-standard coal gas well location for your Northeast Blanco Unit Well No. 451 to be located 210 feet from the North line and 1900 feet from the East line (Unit B) of Section 6, Township 31 North, Range 7 West, NMPM, Basin Fruitland Coal (Gas) Pool, San Juan County, New Mexico. The E/2 equivalent of said Section 6 shall be dedicated to the well forming a standard 320-acre, more or less, gas spacing and proration unit for said pool.

By the authority granted me under the provisions of Rule 8 of the Special Rules and Regulations for the Basin-Fruitland Coal (Gas) Pool as promulgated by Division Order No. R-8768, the above-described unorthodox coal gas well location is hereby approved.

Sincerely,

A handwritten signature in dark ink, appearing to read "William J. LeMay".

William J. LeMay  
Director
