Administrative Order NSL-2665(SD)

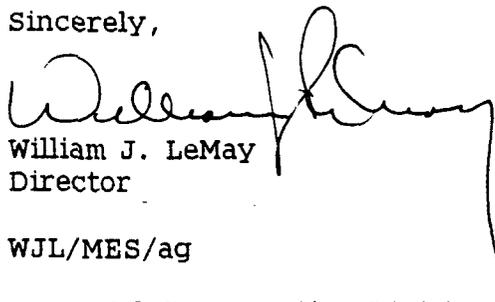

Dear Ms. Wilcox:

Reference is made to your application of May 15, 1989 for a non-standard gas well location for your Liberty Royalties Well No. 6 located 660 feet from the South line and 1400 feet from the East line (Unit O) of Section 7, Township 24 South, Range 37 East, NMPM, Jalmat Gas Pool, Lea County, New Mexico.

Said well to be simultaneously dedicated, along with the existing Liberty Royalties Well No. 5 located at a standard gas well location 1650 feet from the South and East lines (Unit J) of said Section 7, to the previously approved non-standard 160-acre gas spacing and proration unit (Division Order No. R-520) comprising the SE/4 of said Section.

By the authority granted me under the provisions of Rule 2(c) of the Special Rules and Regulations for the Jalmat Gas Pool as promulgated by Division Order No. R-8170, as amended, the above-described unorthodox gas well location is hereby approved.

Sincerely,
