Corrected Administrative Order NSL-2715

Dear Ms. Ellis:

Due to inadvertence, Administrative Order NSL-2715, dated November 21, 1989, does not state the correct pool for which said application was meant. Therefore, all references to the South Eunice Seven Rivers Queen Pool shall be amended to read the Langlie-Mattix Pool. All other provisions of said order shall remain in full force and effect.

I apologize for an inconvenience this oversight may have caused.

Sincerely,

A handwritten signature in cursive script, appearing to read "William J. LeMay", with a date "Dec 21" written below it.
