> RE: Resubmittal of 4 Requests for Administrative Approval of Unorthodox Well Locations

Dear Michael:

Pursuant to our telecon today, enclosed you will find duplicate copies of our original requests dated January 3, 1989, on the following well locations:

Jicarilla	459	# 6	<u>S</u> ec.	20,	T30N-R3W	Rio	Arriba	Co.	NM
Jicarilla	-459	# 7	_Sèc.	17,	T30N-R3W	Rio	Arriba	Co.	NM
Jicarilla	459	#11	Sec.	20,	T30N-R3W	Rio	Arriba	Co.	NM
Jicarilla	464	#15	Sec.	32,	T30N-R3W	Rio	Arriba	Co.	NM

I spoke to Ernie Busch and he does have his copies of our original submittals to work with. He has been to the locations once, but due to inclement weather needs to go back to the sites to confirm approval by his office. He is aware now that these submittals have "fallen through the crack" and will take action as soon as possible. Your cooperation in expediting the final approval process will, likewise, be appreciated. If you need anything further, please contact me or Kevin McCord at 326-2659.

> RE: Request for Administrative Approval of Unorthodox Locations

Gentlemen:

On July 27, 1990 Administrative Orders #NSL-2832\_and #NSL-2834 were

issued approving unorthodox locations for East Blanco Pictured Cliffs wells as follows:

Jicarilla 459 #7: 140' FSL & 1110' FWL Sec. 17, T30N, R3W Rio Arriba County, NM

Jicarilla-459-#11: 1535' FNL & 2255' FEL Sec. 20, T30N, R3W Rio Arriba County, NM

It is our desire to change these wells to the Basin Fruitland Coal Pool and to rename them as follows:

"Jicarilla 459 #7" to be renamed "Jicarilla 459 C #2" "Jicarilla 459 #11" to be renamed "Jicarilla 459 C #7"

The footage locations will be unchanged and Robert L. Bayless is still the operator of the surrounding 320-acre tracts. A lease map and acreage deducation plat for each well is enclosed for your review.

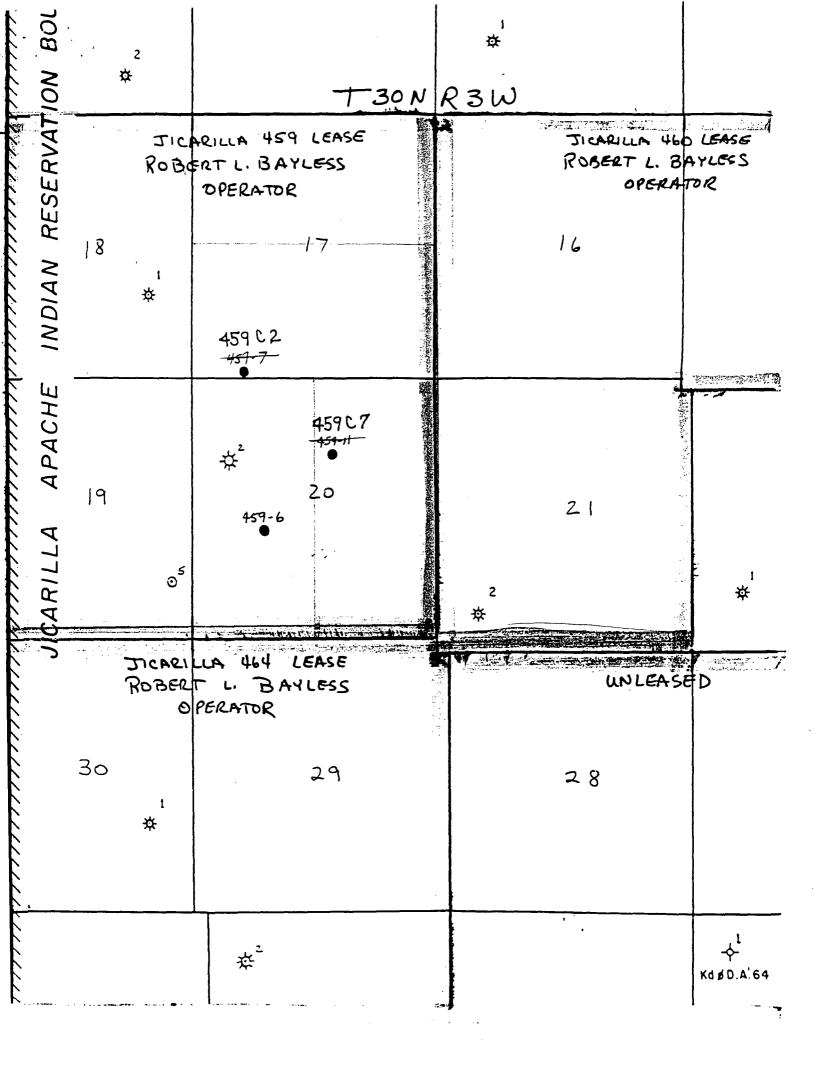

If any additional information is needed, please advise as soon as possible.

Yours truly,

KEVIN H. McCORD Petroleum Engineer
