Gentlemen:

Texaco respectfully requests administrative approval to produce the referenced well from the Pictured Cliffs formation at an unorthodox location. Approval to this application would require an exception to NMOCD Rule 104. Texaco has notified all offset operators to the referenced spacing unit.

Attached, for your information, is a map showing the operators in each offset spacing unit and a well location and acreage dedication plat (form C102).

If you have any questions concerning this matter please contact Mr. Darren Segrest at (505) 325-4397. Your attention to this matter is greatly appreciated.

Sincerely,

  
Ted A. Tipton  
AREA MANAGER
