Dear Ms. Williams:

I am in receipt of your application dated June 10, 1993 for a second well in an 80-acre oil spacing and proration unit. Review of our records indicates that the two existing wells in the South Corbin Wolfcamp Pool in the NE/4 of said Section 21; Meridian's Federal "MA" Well Nos. 4 and 8 in Units B and H, respectively, are both dedicated to "lay-down" 80-acre units. This is contradictory to your application.

Please either submit an amended application or submit amended C-102s rededicating acreages for both the existing wells.

Should you have any questions or comments, please contact me at (505) 827-5811. Thank you.

Sincerely,

Michael E. Stogner
