I am writing to schedule your annual EPA Fall-Off Test for the above UIC Class I Well. OCD Fall-Off Test Guidance is available on the OCD Website under "Publications" at <http://www.emnrd.state.nm.us/ocd/documents/UICGuidance.pdf>. At the conclusion or in advance of the Fall-Off Test, the annual MIT or EPA 5-Yr. MIT must be performed.

To learn more about OCD expectations related to the EPA Fall-Off test, please refer to the attached Sample UIC Class I Fall-Off Test" document and search for "Fall-Off" to learn more about OCD requirements for summarizing and reporting the test.

Please provide me with a tentative test date so that the OCD may confirm and be present to witness the tests. Thank you.
