Dear Ms. Reyes:

We are in receipt of your application of September 17, 2008 requesting our approval for surface commingling and off lease measurement and storage of the production from the above captioned wells:

Since it appears that all the New Mexico Oil Conservation Division's rules and regulations have been complied with, and there will be no loss of revenue to the State of New Mexico, as a result of your proposed operation, your request is hereby approved. Our approval is subject to like approval by the New Mexico Oil Conservation Division and the Bureau of Land Management.

Our approval does not constitute the granting of any right-of-way or construction rights not granted by the lease instrument.

Please Submit a \$30.00 dollar filing fee.

If you have any questions or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Very truly yours,

PATRICK H. LYONS
