Dear Mr. Richardson:

We are in receipt of your letter of October 15, 2007 requesting our approval to surface commingle the gas production from your Tsah Tah Field wells utilizing a common gathering system and metering stations for various Federal, State and Fee Basin Fruitland Coal production.

Since it appears that all the New Mexico Oil Conservation Division's rules and regulations have been complied with, and there will be no loss of revenue to the State of New Mexico as a result of your proposed operation, your request is hereby approved. Our approval is subject to like approval by the New Mexico Oil Conservation Division and the Bureau of Land Management.

Your \$30.00 dollar filing has been received.

If you have any questions or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Very truly yours,
