Re: Continental Oil Company  
Application for <sup>150</sup>160-acre NSP  
Unit for its Lockhart A-30  
No. 5 well in Section 30,  
T21S, R36E, Eumont Gas Pool,  
Lea County, New Mexico

Gentlemen:

Continental Oil Company respectfully requests administrative approval under the provisions of Rule 5 (b) of the Special Rules and Regulations for the Eumont Gas Pool of Order No. R-520 for an enlargement to <sup>150</sup>160-acres of the existing approved 80-acre non-standard gas proration unit for its Lockhart A-30 No. 5 well located 2310 feet from South and 2310 feet from West lines of Section 30, T21S, R36E, Lea County, New Mexico in the Eumont Gas Pool.

The unit is proposed to consist of the SW/4 of Section 30, T21S, R36E.

In support of this request we should like to point out that the proposed unit conforms with the requirements of said Rule 5 (b) in all respects as follows:

1. Said unit consists of contiguous quarter-quarter sections (and/or lots).
2. Said unit lies wholly within a single governmental section.
3. The entire proposed unit may be reasonably presumed to be productive of gas.
4. The length or width of said unit does not exceed 5,280 feet.
5. This well was drilled to and producing from the present limits of the Eumont Pool prior to the effective date of Order R-520, and the location falls within the tolerance provided in Rule 5 (a) of that order.
6. Copies of this application have been furnished this date by registered mail to all offset operators and all operators within 1,500 feet of said well as required by the provisions of said Rule 5 (b).

A plat is attached hereto showing to the best of our knowledge of belief the proposed unit, the location of the well and the offset ownership.

In view of the facts set out herein it is respectfully requested that the Commission issue an order approving the non-standard gas proration unit for Continental Oil Company's Lockhart A-30 No. 5 well as described above.

R. L. ADAMS  
Division Superintendent  
of Production  
NEW MEXICO DIVISION

STATE OF NEW MEXICO )  
                                  ) ss  
COUNTY OF CHAVES )

R. L. Adams, upon being duly sworn, deposes and says that he is the Division Superintendent of Production for Continental Oil Company, and as such is authorized to file the foregoing application, that he has read said application and knows the contents thereof, and that the statements made therein are true, as he is credibly informed and believes.

Subscribed and sworn to before me this 11th day of June, 1956.

30, T.21 S., R.36 E.,  
Eumont Pool, Lea County,  
New Mexico

Gentlemen:

In response to your recent request of Mr. Jason Kellahin, the following information is submitted relative to the Lockhart B-30 No. 1, which is located within the boundaries of the subject proposed non-standard proration unit. The Lockhart B-30 No. 1 was plugged and abandoned on August 6, 1943.

If additional information is required, please advise.

Yours very truly,
