Dear Mr. Henry:

The New Mexico Oil Conservation Division (OCD) has reviewed the submitted Annual Report - 2008, dated March, 2009, for the above-referenced site. The OCD hereby approves the disposition of the treated soils as specified in the Report.

Please be advised that OCD approval of this report does not relieve the owner/operator of responsibility should operations pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the owner/operator of responsibility for compliance with any OCD, federal, state, or local laws and/or regulations.
