or recompletion.							
It is intended to drill and con	nplete the subject well in	the Blanco Mesaverde (Pool	Code 72319) and the Basin Dakota (Pool				
Code 71599). The production will be commingled according to the Oil Conservations Division Order Number 11363.							
Production allocation for the two pools will be determined by the subtraction method. Commingling will not reduce the value of the production. The Bureau of Land Management has been notified in writing of this application.							
of the production. The Bure	au of Land Management	has been hoursed in writing o	or this application.				
Interest is common. No notification is necessary.
