Re: Application of Aztec Oil & Gas  
Company for an exception to Rule  
6(a) of order No. R-565, as a-  
mended, for administrative approval  
of a Non-Standard Gas Proration Unit  
in the Fulcher Kutz-Pictured Cliffs  
Gas Pool, San Juan County, New Mexico

Dear Mr. Porter:

Aztec Oil & Gas Company hereby submits its application for administrative approval of a non-standard gas proration unit comprising the NE $\frac{1}{4}$  of Section 6, Township 27 North, Range 9 West, N.M.P.M., San Juan County, New Mexico, and further requests that upon approval of such non-standard gas proration unit, Aztec be given an allowable in the ratio which the area of such unit bears to a standard proration unit of 160 acres; i.e., 178.84/160.

In support of this application, Aztec respectfully states and shows the following:

- OK  
m
- (1) The proposed Non-Standard Gas Proration Unit is substantially in the form of a square consisting of lots 8 (45.16 acres), 9 (45.91 acres), 14 (44.28 acres) and 15 (43.49 acres), and containing a total of 178.84 acres which are contiguous surface lots.
  - (2) The non-standard size of the tract is due to a variation in the legal sub-division of the United States Public Land Surveys.
  - (3) The non-standard unit lies wholly within a single governmental section.
  - (4) The entire non-standard gas proration unit may reasonably be presumed to be productive of gas.

- (5) The acreage comprising the proposed unit will be dedicated to a well to be known as the No. 7 Hanks which shall be drilled on a non-standard location, if approved.
- (6) So far as is known to applicant, El Paso Natural Gas Company, with offices at the El Paso Natural Gas Company Building, El Paso, Texas, is the only operator owning an interest in leases offsetting the proposed unit and such company has been furnished a copy of this application by registered mail.
- (7) Aztec Oil & Gas Company is the only operator in the section in which this non-standard unit is located.

Aztec Oil & Gas Company respectfully requests, under the provisions of Rule 6(b) of order R-565, as amended, that the Secretary-Director of the Commission grant an exception to Rule 6(a), as amended, without notice and hearing, approving the Non-Standard Gas Proration Unit and allowable as hereinabove described.

Yours very truly,

By:
