Dear Mr. Porter:

Pursuant to Rule 5(b) of Order R-1670-C, Aztec Oil & Gas Company hereby submits its application, in triplicate, for an exception to Rule 5(a) of such Order and Administrative Approval of a Non-Standard Unit consisting of the E $\frac{1}{2}$  of Section 11, T-31-N, R-12-W, N.M.P.M., San Juan County, New Mexico.

In support of this application, Applicant respectfully states and shows the following:

1. A location has been staked nine hundred and ninety feet (990') from the south line and one thousand six hundred and fifty feet (1650') from the east line of Section 11 for the proposed well to be known as the Davis #8-D.
2. Applicant owns all the acreage within the Non-Standard Unit and owns all offsetting acreage to such unit.
3. The Non-Standard Unit consists of contiguous quarter-quarter sections or lots and comprises a total of 305.96 acres. The unorthodox size of the unit is due to a variation in the legal subdivisions of the United States Public Lands Survey.
