Re: Application for Exception to Rule 5(A)
of Order R-1670-C for a Non-Standard
Proration Unit, Basin-Dakota Gas Pool
Rio Arriba County, New Mexico

Gentlemen:

In accordance with Rule 5(B) of Order R-1670-C, El Paso Natural Gas Company, as Operator, hereby submits its application for administrative approval of a Non-Standard Proration Unit in the Dakota Formation comprising the E/2 (Lots 1,2,3,4, W/2 E/2) of Section 24, Township 29 North, Range 6 West, Rio Arriba County, New Mexico, dedicated to the San Juan 29-6 Unit #80 Well located thereon, and in support thereof states the following fact:

That the proposed non-standard gas proration unit consists of 233.24 acres which is an unorthodox size or shape due to a variation in the legal subdivision of the United States Public Land Survey.
(Plat attached)

Therefore, El Paso Natural Gas Company requests that under the provisions of Rule 5(B) of Order R-1670-C, the Secretary of the Commission grant exception to Rule 5(A) without Notice and Hearing and approve the subject non-standard proration unit.

Respectfully submitted,

EL PASO NATURAL GAS COMPANY
