Subject: Notification to Complete Groundwater Monitoring at the DCP Midstream-RR Ext Site (AP#55)

American Environmental, LLC, a subcontractor to DCP Midstream, will complete quarterly groundwater monitoring at the DCP Midstream RR Ext site. The project site is located in Unit C, Sec 19, T20S, R37E. Coordinates are north 32.5623, west 103.2917, Lea County.

The activities to be completed include:

1. Measure fluid levels in all site monitoring wells.
2. Purge all monitoring wells that do not contain free phase hydrocarbons
3. Collect groundwater samples for BTEX and chlorides from the purged wells.
4. Dispose of applicable purge water at the DCP Linam Ranch Facility.

Groundwater sampling is scheduled to begin on December 8, 2010 no earlier than 1300 MST, and it will be completed that afternoon.

Please contact me by email or by phone if you have any questions and/or comments or if you require split samples.
