Dear Sir:

Administrative approval is requested for the conversion of Keel "B" No. 21 and Keel "B" No. 22 to water injection wells in the Keel-West Waterflood Project in the Grayburg Jackson Pool, Lea County, New Mexico.

These wells were included as a part of Stage IV expansion which was authorized by Commission Order #2268-A and #2268-B.

Attached is a schematic of the proposed casing and tubing programs. If additional information is required, please advise.

Yours very truly,

Fred Burns  
Superintendent

New Mexico Oil Conservation Commission  
P. O. Box 2088  
Santa Fe, New Mexico

Attention: Mr. A. L. Porter, Jr., Secretary-Director

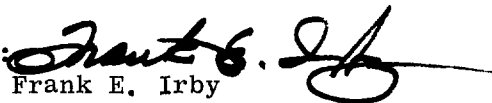

Gentlemen:

Reference is made to the application of Sinclair Oil & Gas Co. which seeks approval for the conversion of their wells Keel "B" Nos. 21 and 22 to water injection status in the Keel-West Waterflood Project in the Grayburg-Jackson Pool.

This office offers no objection to the granting of the application, provided the wells are completed in the manner shown on the diagrammatic sketch which was submitted with the application

Very truly yours,

S. E. Reynolds  
State Engineer
