Dear Mr. Stamets:

Coastal Oil & Gas Corporation was recently granted Administrative Approval (by Order SWD-281) on a C-108 application concerning our State "31" #4 well located in Unit N, Section 31, T-13-S, R-33-E, Lea County, New Mexico. We have recently decided to pursue an alternate means of SWD and thus, wish to have the order cancelled for record keeping purposes. The well has recently been plugged and abandoned.

If you have any questions concerning this matter, please advise.

RE: Administrative Order SWD-281

Attention: Bobby L. Smith

Dear Mr. Smith:

Reference is made to Administrative Order SWD-281 dated December 20, 1984 which authorized your company to convert its State "31" No. 4 well located in Unit Letter N, Section 31, Township 13 South, Range 33E, Lea County, N.M., to a salt water disposal well.

It is our understanding that your company no longer wishes to utilize this well as a disposal well, and in fact that this well has been plugged and abandoned. Therefore, as per your request dated March 20, 1985, Administrative Order SWD-281 is hereby rescinded.

Sincerely,

David Catanach
Petroleum Engineer
