Dear Sir:

Attached is copy of a letter requesting the approval of the Secretary-Director of the New Mexico Oil Conservation Commission of the conversion of our Breech "A" T-207 well, C SW SE Section 10-26N-6W, Rio Arriba County, New Mexico, to water injection.

If you have no objection to the use of this well for the injection of water into the Tociito Sand, it would be greatly appreciated if you would so indicate on the copy of this letter attached, and mail it to the Secretary-Director.

Yours very truly,

CAULKINS OIL COMPANY
