Gentlemen:

Effective June 16, 1971, the State D and E Leases, Vacuum Field, ceased commingling between the Glorieta and San Andres zones.

The State D and E Vacuum San Andres production will continue to be lease commingled under the existing PLC-9 Administrative Order. Should you require a revised administrative order, please advise.

The State D and E Vacuum Glorieta production has merged with the State A, B, and F Leases, Vacuum Glorieta. The State A, B, D, E, and F Vacuum Glorieta commingle was authorized by the Oil Conservation Commission, June 22, 1971 - Administrative Order No. CTB-224.

If additional information is required, please contact this office.

Yours very truly,

W. J. Ward
