Attention: Mr. Ira B. Stitt

Administrative Order PC-330

O Gentlemen:

P Reference is made to your application dated August 18, 1967, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of North Vacuum-Abo and Vacuum-Upper Pennsylvanian production from your Bridges State Santa Fe Com Well No. 1, located in Unit D of Section 24, Township 17 South, Range 34 East, Lea County, New Mexico, after separately metering the production from each pool.

Y By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease in the above-described manner. Provided, however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the provision for non-reset counters on the meters. Please notify the Hobbs District Office of the Commission at such time as this installation is complete in order that an inspection may be made of the installation prior to putting it in operation.

Very truly yours,

A. L. PORTER, Jr.  
Secretary-Director
