Re: Commingle Production
Administrative Order PC-348
TEXACO Inc., New Mexico "W"
State NCT-1 Lease, Vacuum
(Middle Penn) and Vacuum
North (Abo) Pools, Lea County,
New Mexico

Attention: Mr. A. L. Porter, Jr.

Gentlemen:

It is requested that the above referenced Administrative Order PC-348 be canceled as one (1) of the two (2) zones producing into the facility is now inactive.

As you have been advised, the Middle Penn zone of TEXACO's dually completed New Mexico "W" State NCT-1 Well No. 3 is now classified shutin, to be reconditioned-oil. Since there is only one singly completed well producing into the previously commingled battery it is requested that the order permitting commingling be canceled.

Yours very truly,
