Dear Sir:

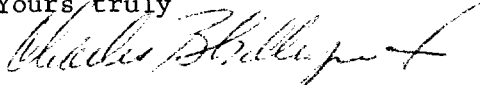

RE: Request to commingle oil produced from the North Bagley, Upper Penn and North Bagley, Lower Penn, Charles B. Gillespie, Jr. State "A" Lease ( State K-90) Section 3, T-11-S, R-33-E, Lea County

Please consider this a formal request for your Administrative Order to comingle the production from the two zones listed above on the above described lease, and waive Rule 303 (a) of the Conservation Rules.

The # 1 well is presently producing from the Upper Penn zone and the # 2 well, recently completed, is completed from the Lower Penn zone. The ownership is common in both wells on the lease, as is the State Royalty.

Your approval of this request would be deeply appreciated.

Yours truly

Charles B. Gillespie, Jr.
