AMENDMENT REQUEST
COMMINGLING ORDER PC-370
LIGHTCAP POOLS
CHAVES COUNTY, NEW MEXICO

Gentlemen:

Administrative Order PC-370 dated March 13, 1969 granted Mobil Oil Corporation an exception to Rule 303(a) of the Commission Rules and Regulations to permit the commingling of Pennsylvanian and Devonian oil production from the Lightcap Pool on the surface of the ground. The Lightcap Pennsylvanian Pool has recently been reclassified as a gas pool, accordingly, Mobil requests that the subject commingling order be amended to allow the commingling of Lightcap Pennsylvanian condensate with Lightcap Devonian oil.

Very truly yours,

Ira B. Stitt
Division Operations Engineer
