Administrative Order PC-406

Gentlemen:

O Reference is made to your recent letter requesting the amendment of Order No. R-1307 to delete the metering requirement in the commingling installation authorized by this order.

P Inasmuch as this order was entered as the result of a public hearing, it cannot be amended except after a hearing. However, the commingling as you now propose is eligible for administrative approval.

Y Pursuant to Rule 303-B of the Commission Rules and Regulations, Sun Oil Company, is hereby authorized to commingle Blinebry and Drinkard production on its State Land "15" Lease in Section 16, Township 21 South, Range 37 East, Lea County, New Mexico, allocating the production on the basis of monthly well tests; provided however, that the installation shall be operated in accordance with the Commission "Manual for the Installation and Operation of Commingling Facilities," and provided further, that you shall notify the Commission in the event that any well in either pool becomes capable of top allowable production.

Order No. R-1307, which previously authorized commingling on this lease, is hereby put in abeyance.

Very truly yours,

A. L. PORTER, Jr.
Secretary-Director

Administrative Order 80-100

Re: San Oil Company

Reference is made to your recent letter regarding the proposed
amendment to Order No. A-1307 to delete the metering requirement in the
completing installation authorized by this order.

Inasmuch as this order was entered as an order of a public
hearing, it cannot be amended except after a hearing. However,
the Commission as you now propose is eligible for administrative
approval.

Pursuant to Article 100-B of the Constitution Rules and Regulations
of the San Oil Company, as hereby authorized to complete its
and its production on the State Land "12" lease in Section 12,
Township 21 South, Range 37 East, Lee County, New Mexico, and
the production on the basis of monthly well metering and flow,
that the installation shall be completed in accordance with the
"Manual for the Installation and Operation of Metering
Equipment," and provided further, that you shall comply with the
section in the event that any well is either well or or
it to allow the production.

Order No. A-1307, which previously authorized the installation of
this lease, is hereby put in abeyance.

Very truly yours,

A. L. FARRAR, Jr.
Secretary-Treasurer
