Attention: Mr. R. C. Anderson

Lease Name: Mark  
Description: NE/4 Sec. 3, T-22-S, R-37-E, Lea County

The above-named company is hereby authorized to commingle production from the following pools

Blinebry & Tubb condensate and Drinkard, Wantz-Abo, and  
Wantz Granite Wash Oil.

in a common tank battery, and to determine the production from each pool by

\_\_\_\_\_ separately metering the production from each pool prior to  
commingling

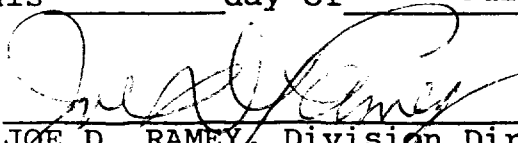

\_\_\_\_\_ separately metering the production from  
and determining the  
production by the subtraction method

X well tests (if this method is to be authorized, all commingled production must be of marginal nature; further, the operator shall notify the Santa Fe Office of the Division in the event any well producing into the commingled battery becomes capable of top allowable production, at which time the Division will amend this order or take such other action as may be appropriate)

Note: This installation shall be installed and operated in accordance with the applicable provisions of Rule 303 of the Division Rules and Regulations and the Division "Manual for the Installation and Operation of Commingling Facilities." It is the responsibility of the producer to notify the transporter of this commingling authority.

REMARKS: Prior to this correction, PC-506 as amended January 12, 1979, did not include Wantz-Granite Wash. This correction is effective retroactively to January 12, 1979.

DONE at Santa Fe, New Mexico, on this 16th day of July, 1979.
