Dear Mr. Ramey:

Application is hereby made for an administrative approval of a 273.18 acre non-standard gas proration unit under Rule 104DII for the above captioned well due to survey anomalies in regard to this section as shown on the attached plat.

Under Commission Order R-5911, production from this well has been assigned to the Diamond Mound-Atoka Gas Pool. Communitization Agreement SRM-1271 involving 56.72 acres of Federal land was granted this well effective as of May 4, 1978.

Application is being made to clear up administrative records per the request of the Artesia office of the N.M.O.C.D., Mr. Gressett, on November 13, 1979.

Respectfully,

A handwritten signature in cursive script, reading 'R. E. Mathis', followed by a horizontal line.
