Mr. Joe D. Ramey, Director

Dear Mr. Ramey:

Subject: Mesa Petroleum Co.  
Spring Federal #1  
660' FSL & 660' FWL  
Sec 6, T6S, R26E  
Chaves County, New Mexico

Application is hereby made for an administrative approval for a non-standard shaped gas proration unit for the above captioned well. The location is orthodox for the Abo formation being applied for and sufficient acreage is available within the Section, 166 acres, but due to the survey anomalies of this section as indicated on the attached plat, the unit must be rectangular in shape instead of square as is normal for 160 acre units.

Expeditious handling of this request and issuance of appropriate administrative order is appreciated.

Yours truly,
