**Re: CASE NO. 13175**  
**Application of Permian Resources, Inc. for a Non-Standard Spacing and**  
**Proration Unit and an Unorthodox Well Location, Lea County New Mexico.**

Dear Ms. Wrotenbery:

Permian Resources, Inc. requests that the Examiner Hearing in the above-referenced matter, currently scheduled for February 5, 2004, be continued to the March 18, 2004, Examiner docket. The hearing Permian Resources had scheduled with the City of Lovington's Extraterritorial Zoning Authority for this project was postponed and will likely not occur until sometime in February. Permian seeks to have the zoning approval in place before proceeding with its Division application.

Your attention to this request is appreciated.

Sincerely,

Michael H. Feldewert
