| 1 | WHEREUPON, the following proceedings were had at |
| 2 | 8:17 a.m.: |
| 3 | EXAMINER JONES: Okay, the first case let's call |
| 4 | this morning is Case 13,259, Application of Yates Petroleum |
| 5 | Corporation for a nonstandard gas spacing unit, Lea County, |
| 6 | New Mexico. |
| 7 | Call for appearances. |
| 8 | MR. CARR: May it please the Examiner, my name is |
| 9 | William F. Carr with the Santa Fe office of Holland and |
| 10 | Hart, L.L.P. We represent Yates Petroleum Corporation in |
| 11 | this matter. |
| 12 | Mr. Examiner, Yates filed an administrative |
| 13 | application seeking the creation of a 389.4-acre |
| 14 | nonstandard spacing and proration unit in the Mississippian |
| 15 | formation, comprised of all of irregular Section 2, |
| 16 | Township 11 South, Range 34 East. The nonstandard unit |
| 17 | consists of four lots and four 40-acre quarter sections. |
| 18 | The application was reviewed by the Division, and |
| 19 | it was set for hearing. The reason stated was that a |
| 20 | nonstandard unit of this nature cannot be processed |
| 21 | administratively because it is inconsistent with Division |
| 22 | Rule 104.D.(2).(b).(ii), and that provides that dedicated |
| 23 | to a well shall be a standard-size spacing unit for 320- |
| 24 | acre-developed pools, comprised of a half quarter section |
| 25 | or a and the Division determined that, in fact, this |

| 1application, because it was no 320-acre unit, because of2the irregular nature of it, couldn't be approved3administratively.4The letter from the Division further provided5that the case would be docketed and provided in the absence6of objection the application would be taken under7advisement, and also advised Yates that no further direct8involvement by Yates would be required.9So the case has been now docketed, and we would10request that based on the administrative application filed11March the 10th, it be taken under advisement.12EXAMINER JONES: Okay, thank you, Mr. Carr. I13have everything I need for this case. So let's take Case1413,259 under advisement.15(Thereupon, these proceedings were concluded at168:19 a.m.) |
