Re: NMOCD Case No. 13144; Application of Permian Resources, Inc. For Special Pool Rules, etc., Lea County, New Mexico

Dear Mr. Stogner:

The Applicant, Permian Resources, Inc. and the offsetting operator, EOG Resources, Inc. have agreed that Permian may flow its Hillburn No. 3 Strawn well (NW/NW Sec. 13, T-16-S, R-35-E) for 30 days in order to obtain production data for the parties to evaluate. There will be no sales of the oil produced during this testing period and the shared production data may allow the parties to resolve potential opposition to the Application. For these reasons, on behalf of the Applicant, we request the hearing in this matter be continued to the December 4, 2003 Examiner hearing docket.

Should you require additional information regarding this particular matter, please do not hesitate to contact me.

Thank you for your assistance.

Very truly yours,

MILLER STRATVERT P.A.

  
J. Scott Hall
