The New Mexico Oil Conservation Division ("Division"), requests a continuance of the hearing in Case No. 13237 until the April 15, 2004 docket. (The Division previously filed a motion requesting a continuance until the April 1, 2004 docket.) This amended motion is supported on the following grounds:

1. Case No. 13237 is currently set on the March 18, 2004 hearing docket.
2. At issue in the hearing is the Division's approval of C-104A change of operator forms issued by the District III office, changing the operator of certain wells from J.C. Well Service Inc. to Action Oil Company, Inc.
3. The Division intends to present the testimony of Frank Chavez, Supervisor of District III, regarding the issuance of the approvals.
4. The undersigned attorney for the Division will be out of the office the week of March 15 through March 19, 2004.
5. The Division previously filed a motion requesting that this matter be continued until the April 1, 2004 docket. Undersigned counsel obtained the concurrence of J. Scott Hall, attorney for J.C. Well Service, Inc., but had not received a response from Tom Montoya, attorney for Action Oil Company, Inc. at the time she filed the motion.

6. Mr. Montoya has since informed undersigned counsel that he has a court appearance scheduled for April 1, 2004.

7. The undersigned counsel for the Division and witness Frank Chavez can be available for a hearing at the April 15, 2004 docket.

8. J. Scott Hall, attorney for J.C. Well Service Inc., and Tom Montoya, attorney for Action Oil Company, Inc., concur with this motion.

For the foregoing reasons the Division requests that the hearing examiner continue the hearing in case number 13237 until the April 15, 2004 docket.
