CASE NO. 13061

UNOPPOSED MOTION FOR CONTINUANCE

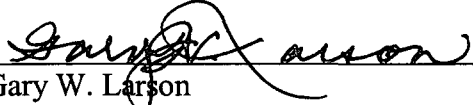

Chaparral Energy, Inc. ("Chaparral") moves the Division for a continuance of the hearing currently scheduled for Thursday, May 8, 2003, to the Division's next regularly scheduled hearing date. In support of its motion, Chaparral states:

1. Chaparral had two witnesses prepared to appear and testify at the hearing originally scheduled for April 24, 2003. That hearing date was continued based on a motion filed by Smith & Marrs, Inc. ("Smith & Marrs").
2. One of Chaparral's witnesses has an irreconcilable scheduling conflict on May 8, 2003. He will, however, be available to appear on May 22, 2003.
3. Chaparral has contacted counsel for the Division and for Smith & Marrs regarding the relief requested by Chaparral, and they do not oppose this motion.
4. No prejudice will inure to any of the parties as a result of a continuance of the presently scheduled hearing date.

WHEREFORE, Chaparral requests that the Hearing Officer grant Chaparral's motion, continue the hearing to the Division's next regularly scheduled hearing date, and grant Chaparral such additional relief as the Hearing Officer deems appropriate.

Respectfully submitted,

HINKLE, HENSLEY, SHANOR &
MARTIN, L.L.P.
