Re: Application of Samson Resources Company for Special Pool Rules for the Southeast Hat Mesa-Delaware Pool, Lea County, New Mexico.

Ladies and Gentlemen:

This letter is to advise you that Samson Resources Company has filed the enclosed application with the New Mexico Oil Conservation Division seeking an order promulgating special pool rules and regulations on a temporary basis for the Southeast Hat Mesa-Delaware Pool including provisions for 160-acre spacing and proration units.

This application has been set for hearing before a Division Examiner on June 24, 2004. You are not required to attend this hearing; but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases are required by Division Rule 1208.B to file a Pre-Hearing Statement at the Santa Fe Office of the Oil Conservation Division located at 1220 South Saint Francis Drive, Santa Fe, New Mexico 87505, three days in advance of a scheduled hearing. This statement must include: the names of the parties and their attorneys; a concise statement of the case; the names of all witnesses the party will call to testify at the hearing; the approximate time the party will need to present its case; and identification of any procedural matters that are to be resolved prior to the hearing.

Very truly yours,

William F. Carr  
ATTORNEY FOR SAMSON RESOURCES  
COMPANY

Santa Fe, NM 87505

IN THE MATTER OF THE APPLICATION  
OF SAMSON RESOURCES COMPANY  
FOR SPECIAL POOL RULES FOR THE  
SOUTHEAST HAT MESA-DELAWARE POOL,  
LEA COUNTY, NEW MEXICO.

CASE NO. \_\_\_\_\_

APPLICATION

SAMSON RESOURCES COMPANY ("Samson"), by its undersigned attorneys, hereby makes application to the Oil Conservation Division for an order promulgating special pool rules and regulations on a temporary basis for the Southeast Hat Mesa-Delaware Pool, including 160-acrespacing and special well location requirements, and in support of this application states:

1. The Southeast Hat Mesa-Delaware Pool was established by Division Order No. R-11886, dated January 1, 2003, and includes the following acreage in Lea County, New Mexico:

Township 21 South, Range 32 East, N.M.P.M.

Section 2: Lots 9, 10, 15 and 16

2. The Samson Minis Federal Well No. 1 (API No. 30-025-34449) located 360 feet from the South line and 660 feet from the East line of Section 2, Township 21 South, Range 32 East, NMPM, is the only well producing from the Southeast Hat Mesa-Delaware Pool.

3. The Samson Minis 2 Federal Well No. 1 first produced from the Delaware formation in May 2002 through perforations from 7,910 feet to 7,920 feet. A standard 40-acre oil spacing unit is dedicated to the well and it is operated by Samson under statewide rules which provide for a depth bracket allowable of 187 barrels of oil per day. (Rule 505.A)

3. On January 9, 2003, the Oil Conservation Division granted the Minis 2 Federal Well No. 1 a discovery allowable of 35,465 barrels of oil to be produced over a two year period of time thereby effectively increasing the well's daily allowable to 241 barrels of oil per day.

4. The Minis 2 Federal Well No. 1 produces at rates in excess of the authorized depth bracket allowable and discovery allowable and is draining an area in excess of the 40-acres dedicated thereto.

5. Samson seeks the adoption of special pool rules and regulations for the pool on a temporary basis including provisions for 160-acre spacing and proration units.

6. Approval of this application will result in the production of hydrocarbons which otherwise will not be produced and will be in the best interest of conservation and the protection of correlative rights.

WHEREFORE, Samson Resources Company requests that this application be set for hearing before an Examiner of the Oil Conservation Division on June 24, 2004, that notice be given as required by law and the rules of the Division, and that the application be approved.

Respectfully submitted,

HOLLAND & HART, LLP
