Dear Mr. Fesmire:

Order No. R-12211, entered in the above case, requires Nadel and Gussman to commence its well by December 31, 2004. It is currently waiting on a rig, which it anticipates will be available in mid-January. Therefore, Nadel and Gussman requests an extension of the well commencement deadline to February 1, 2005.

Thank you for your consideration of this matter.

Very truly yours,

James Bruce
