RECEIVED

MAY 27 2003

Oil Conservation Division

APPLICATION OF THE NEW MEXICO OIL CONSERVATION DIVISION, THROUGH THE SUPERVISOR OF DISTRICT III, FOR AN ORDER REQUIRING PLAYA MINERALS & ENERGY INC. TO PROPERLY PLUG ONE HUNDRED THIRTY-FOUR (134) WELLS AND AUTHORIZING THE DIVISION TO PLUG SAID WELLS AND TAKE APPROPRIATE MEASURES TO SEEK REIMBURSEMENT FROM ANY SECURITY FURNISHED BY OPERATOR IN EVENT OF OPERATOR'S FAILURE TO COMPLY; SAN JUAN COUNTY, NEW MEXICO.

CASE NO. 13099

APPLICATION FOR PLUGGING AND FORFEITURE OF BOND

1. Playa Minerals & Energy Inc. ("Operator") is the operator of the well or wells specifically identified on Exhibit A hereto (which Exhibit is incorporated herein by this reference for all purposes) located in San Juan County, New Mexico. The said well or wells are hereinafter called the "subject well(s)," whether one or more.

2. The subject well(s) have been actually abandoned by Operator.

3. By virtue of Operator's failure to use the subject well(s) for production or other beneficial purposes said wells are required to be plugged. In addition, the wells are in a poor state of repair and need to be plugged for the protection of groundwater resources, public health and the environment.

4. NMSA 1978 Section 70-2-38, as amended, and Division Rule 101.M authorize the Division, after notice and hearing, to order the operator to plug abandoned wells, and to authorize the Division to cause such well or wells to be plugged in

accordance with a Division approved plugging program if, after the time provided in such order, the operator and its surety, if any, have failed to do so.

WHEREFORE, the Supervisor of District III of the Division hereby applies to the Director to enter an order:

- A. Determining whether the subject well(s) should be plugged and abandoned in accordance with a Division-approved plugging program.
- B. Upon a determination that the subject well(s) should be plugged, directing Operator to plug the wells by a date certain.
- C. Further ordering that if Operator fails to plug and abandon the subject well(s) as ordered by the Director, the Division be authorized: (i) to plug the subject wells in accordance with a division-approved plugging program; (ii) to declare forfeit the security furnished by Operator, if any, to the extent necessary to fully reimburse the Division for its expenses incurred in accomplishing the foregoing; and (iii) to take necessary and appropriate measures to recover from Operator, or from any security furnished by Operator, costs incurred in plugging the subject well(s).

D. For such other and further relief as the Director deems just and proper under the circumstances.

RESPECTFULLY SUBMITTED,

A handwritten signature in black ink, reading "David K. Brooks", with a stylized flourish at the end.
