CASE NO. 13262

MOTION FOR CONTINUANCE

Applicant, Energen Resources Corporation, through its undersigned counsel, moves pursuant to the Division Director's June 17, 2002 memorandum, that the hearing examiner enter an order continuing this case to the January 20, 2005 hearing docket.

As grounds for this motion, Applicant states that the landman from the Applicant's Farmington office who was planned on providing most of the testimony at the hearing recently left the company and has not yet been replaced. Continuing the matter for the requested period should allow sufficient time for the witness's successor to be identified and to become familiar with the subject matter of the Application.

No other parties have entered their appearances in this case and a continuance is not otherwise opposed.
