Subject: NMOCD Case No. 13359

Jim:

On October 19, 2004, Tom Kellahin filed a Motion To Continue to allow Finley Resources to obtain new counsel in view of a conflict asserted by Cheasapeake Operating Company last Friday. Today, I will be substituting my appearance for Tom Kellahin's on behalf of Finley Resources in the above case. From our exchange of voice-mails yesterday, I understand that Mewbourne opposes the Motion to Continue. If this is incorrect, please advise. In view of the short time remaining before the hearing on October 21st, I am asking Examiner Stogner for an expedited ruling on the motion.

Thanks.

Scott

Mike: Tom has filed a motion for continuance, which I opposed. Please let us know your ruling so I can call my witness one way or the other. Thanks.
