**Compulsory Pooling, San Juan County, NM**

Dear Mr. Fesmire:

On behalf of Burlington Resources Oil & Gas Company, I am in receipt of a orders setting a show cause hearings in both of the referenced cases set for November 4, 2010. It is my understanding that the Commission intends to dismiss the applications for the de novo hearing of these cases and thereby leave in place the underlying orders that remain valid.

Burlington has no objection to the dismissals of these DeNovo applications filed by Mr. Hall on behalf of the GLA-46 Group.

Very truly yours,

  
W. Thomas Kellahin
